

## Your home's value

How is a [Profile.market] home's value determined?

You have several options to determine the value of a [Profile.market] home.

First way is to contact [Profile.full\_name] now at [Profile.comp\_phone] for a Free Comparitive market analysis.

For buying purposes you'll need an appraisal. It's is a professional estimate of a property's market value, based on recent sales of comparable properties, location, square footage and construction quality. This service varies in cost depending on the price of the home. On average, an appraisal costs about \$300 - \$600 for a \$250,000 house.
